## GRAMMAR SCHOOL TO STAGE OPERETTA

"Pioneer's Papoose" Will Be Musical Offering May 13 and 14.

The Sonoma grammar school, which has already put on several clever operettas in real professional fashion, is to stage one of the most tuneful and beautiful of the Carrington productions at the auditorium May 13 and 14. "Pioneer's Papoose" is the name of the new musical comedy, in which a big cast of clever young people will appear. There are several fine star parts, including the big medicine man, chorus of Indian braves and Indian maidens. The costumes and scenic effects are to be elaborate, and the operetta bids fair to be the finest yet produced under the able direction of Jesse Pestwood and assistants.

The entertainment is to be divided into 2 parts, part one being brimful of clever numbers, such as folk dances, instrumental numbers, recitations, flag drills etc.

Mr. and Mrs. Emil Andrioux, formerly of Point Richmond, who have been in Sonoma for several weeks, have gone to the Sierras, where Andrioux has accepted an electrical position with the S. P. They will reside at Summit, Emil's job being in the snow-sheds near by.

## IMPROVEMENTS GO FORWARD ON BUENA VISTA FARM

Victory in Legislature and New Appropriation of \$24,000 Speeds Up Work Here.

Not until last week was the converting of the Buena Vista castle property into a state home for delinquent women an assured fact, although the property was purchased out of the original appropriation at a cost of \$50,000. Improvements on it were more or less tied up pending the fight made in the legislature to abandon it or have it taken over by the institution at Eldridge.

The Breed bill would have repealed the act authorizing the farm, but when voted on the assembly voted 26 to 21 to maintain it and appropriated \$24,000 for additional improvements.

The water supply and dam will be among the first things put in shape, and in construction work, the hospital will be rushed forward to completion. The big house, or "Castle," is to be the administration building.

### New Meat Market

Walter Paulson, El Verano butcher, is to open up a cash and carry meat market on Napa street, in the building owned by his mother. Paulson has been in business at El Verano for several years.

## VALLEY OF MOON CHAMBER OF COMMERCE MEETS

Many Important Projects Discussed By Live Wire Organization on Thursday Evening.

At the meeting of the Valley of the Moon Chamber of Commerce Thursday night many important projects were discussed, including the coming big meeting on May 13th, when the general public is invited to "Boyes Theatre" to participate in an entertainment put on by the Golden Gate Ferry people.

The mammoth carnival and professional, which is being planned by the organization for Sonoma valley during the summer, was discussed and a committee of fifteen appointed to make out the program.

Four new members were added to the roll.

The matter of having some of the sightseeing companies of San Francisco include Sonoma valley in their tours was looked into by Mr. Chambers, who asked for a committee to take up the proposition further. Mrs. Shepard, R. Lichtenberg and Chambers were appointed.

The invitation to participate in the Sonoma Business Men's banquet was accepted.

Thos. P. Boyd asked further correspondence with the highway commission on the completion of work on the Black Point cut-off.

Geo. F. Darling suggested that all resolutions be printed and furnished to members, that the good projects for which the chamber is on record may be known to all. Messrs. Boyd, Darling and Blomgren are the resolutions committee.

Secretary Blomgren was instructed to write to the highway commission urging immediate action on a survey of the routes for the Santa Rosa-Schellville road.

A big sign is to be erected at the intersection of the Black Point cut-off with the main highway at Ignacio telling of the Valley of the Moon route. The Chamber of Commerce authorized Mr. Payne to prepare the sign.

Future meeting nights will be the first and third Thursdays of each month.

If you have not joined the Valley of the Moon Chamber of Commerce send in your name now.

"EPI" WEISS, the expert ophthalmic optometrist, will be in Sonoma at the Union hotel on May 3d. Permanently located at 706 Larkin St., San Francisco.

## PARTICIPATED IN SPEEDWAY OPENING LAST SUNDAY

10,000 people witnessed the driving of the stakes for the North Bay Counties Fair Association Speedway project at Cotati last Sunday. The widely advertised exercises were responsible for bringing the immense crowd together and all came away enthused and impressed with the magnitude of the enterprise which means so much to Sonoma county.

Messrs. Minges and Darling of Boyes Springs and Emmet Mullen of El Verano had the honor of being representatives from this valley and drove one of the stakes at the ceremonies.

## AUTO ASSOCIATION TO MEET AT BOYES SPRINGS

The Automobile Association of Sonoma and Napa counties will meet at Boyes Springs on May 10th. A special night of the theatre has been arranged in their honor by the management and will follow the annual banquet of the motorists.

## Giving Away Premiums at Sale

At the alteration sale advertised by M. Kapahi's department store the patrons are to be given free premiums with their purchases. Beautiful articles will be selected by the customers and will be given to them. Read all about the wonderful premiums in another column. The sale is on pending alterations in Kaplan's store in the Bulloch building.—Adv.

The National Ice Cream Company's manager has been in Sonoma valley, having dapple gray teams of horses for the company's wagons. Trucks are to be laid off. It is understood that Leland Bruback sold them a team.

The Plaza restaurant had a very auspicious opening and Mr. Fine and his partner declare that they're more than pleased at the patronage accorded them during the past week.

City Trustee Geo. Breitenbach has been under the weather with a severe cold. Trustee Beretta is entirely well again and attending to business.

A party of Sonoma valley folks, including Mr. and Mrs. R. L. Watt, Mr. and Mrs. G. Rabke and others will motor to Mill Valley Sunday and then hike up Mt. Tamalpais and to Muir Woods.

How do we know that the spring has come in this pleasant land by the western sea?—well, the first campers of the season arrived Monday from Los Angeles and pitched a tent in Sonoma's auto park. Last season was the first that Sonoma had a camping ground for motorists and quite a number of tourists availed themselves of it.

The Ro-Cava-Pasa Club had another successful dance here Saturday night and all who attended enjoyed the evening to the utmost.

## BANNER NIGHT IN LOCAL Y. M. I. HISTORY

Large Class Initiated by Degree Team From Vallejo. Banquet Follows.

Thursday night was banner night for Sonoma Council No. 45, Young Men's Institute, which initiated one of the largest classes in its history. A degree team from Vallejo and a visiting delegation of seventy-five from the cities of Vallejo and Napa made the night a memorable one, and all who participated were impressed with the splendid growth of the local organization and the fine spirit of good fellowship and cooperation among the members.

Following the initiation ceremonies the Y. M. I. and visitors repaired to the Woman's club house, where a banquet was served by the ladies of the parish and a delicious menu partaken of. Rev. J. F. Byrne was the toastmaster and called upon a number of visiting members and local speakers for short talks. After the feast dancing and entertainment were in order, the Y. M. I. and their ladies participating.

Among the officers of Sonoma Council No. 45 are Rev. J. F. Byrne, chaplain; James Kearney, president; Newton Dal Poggetto, first vice-president; L. W. Womert, second vice-president; J. N. Dowdall, treasurer; L. H. Green, secretary; Leo Vincent, marshal; A. Chelini and Ed Dowdall, confidants; P. W. Paulson, Jas. J. Kearney and A. Clerici, executive committee; John Dowdall, speaker.

The new members of Sonoma Council are: Emily Vincent, Paul J. Foster, Frank H. Muller, Wm. P. Downey, Anton and Joe Kiser, Tony Barracchi, and Jos. Deacon (associate member).

Sonoma valley poultry producers are complaining that the dry north wind has seriously affected the hatches of the past week. Eggs in incubators and also under hens have shown a marked falling off in the percentage of eggs hatched except in cases where the chick raisers have dipped or sprinkled the eggs with water. This method has proved to be very effective.

The Flying Needles will meet at Mrs. Fred Rubke's home in Schellville on May 4th.

Mr. and Mrs. Fred Hansen are now driving a classy Chevrolet Baby Grand Roadster.

### COMING

Dr. L. B. Lawson, optometry specialist, will be in Sonoma at "Stimons" Pharmacy, on May 2 and May 19th.

## CLEVER TALENT WINS PRAISE AT M. E. BENEFIT

Program Presented by Burchette Elocution Class Exceptionally Fine.

One of the best entertainments presented to a Sonoma audience for many a day was the exceptional program offered by Mrs. Burchette at the Methodist benefit last Friday night at the Woman's club house. The children showed splendid training and the members were well chosen, enabling the individual talent to assert itself. A one act play, "At the Photographer's," proved a very laugh provoking skit and gave Everett Murphy, as the photographer, and a large cast of other young people, who were fit customers coming to the gallery "to be took," a good chance to display their talent for comedy.

Miss Frances Murphy, as the romantic miss, in a wonderful costume and picture hat, won much applause as she posed for the photographer.

The scarf drill by nine girls is worthy of special mention and was very gracefully presented.

The Boy Scouts song, "Dream of U. S. A.," was also very good, and assisted by the elocution class proved a very popular number.

The dumb bell drill and a pantomime were other very good numbers.

Refreshments and candy, sold by the Ladies Aid at the conclusion of the entertainment, netted a goodly sum.

Following is an outline of the program: Piano solo, Mr. Albers; play, "At the Photographer's," 15 children; recitation, "The Elf Child," Adrianna Montgomery; reading, "Elizabeth Ann," Alma Barlow; reading, "The Inventor's Wife," Jennie Downey; reading, "The Minnet," Nayada Schell; recitation, "The Little Torment," Irene Montgomery; piano solo, Miss Burt; scarf fantastic drill, nine girls; recitation, "The American Army of Two," Frances Murphy; reading, "Little Wantoknow," Lucy Pfalzgraf; song, "So Long, Mary," boys and girls; reading, "The Visitor," Alice Small; recitation, "Teacher Gets Cross," Frances Pellisser; chorus, "My Dream of the U. S. A.," class and boy scouts; reading, "The Practice Hunt," Grace Barr; reading, "Patsy," Anna Noyes; dumb bell drill, the elocution class; reading, "Bill Perkins," Mrs. Burchette; pantomime, "Swanee River," the class.

Miss Maria Snyder is expected home from San Francisco the coming week and is convalescent from her recent illness. Mrs. Lundy, a cousin of Mrs. R. J. Snyder has been here during the absence of Miss Maria.

Mr. and Mrs. F. Meyer have been up from San Francisco spending the week at their ranch and visiting their son Fred.

Bob Partridge is coming up on May day to give a party to some of his college chums at the ranch of his father in El Verano. The boys are expecting to have a fine time.

## FURTHER RESTORATION OF OLD MISSION TO START

Womans Club Appeal Answered By Visit of Two State Officials Who Promise Work Will Begin Next Week.

The Sonoma Valley Womans Club deserves the greatest credit for its interest in Sonoma's beloved landmark, the old mission church, and as a direct result of recent interest in the restoration and preservation of the Sonoma landmark, the State of California sent two members of the State Architect's office from Sacramento this week to look over the building and determine how best to expend \$980 to the credit of the Mission in the state landmarks fund. Senator Slater had advised the Sonoma club women of this money and suggested that it would probably be available if a committee was appointed to take up the matter with the Commissioners. Mesdames Hill, Wedworth and Miss Stofen wrote to Sacramento and in behalf of the Womans club asked that the money be expended on Sonoma's hallowed relic. Their appeal was promptly answered by the coming here the fore part of the week of Messrs. Adams and Toppis, who looked over the old church and decided that the interior would at once be restored, the walls fixed up and a stone floor put in, all after the original style of 1824. A dirt floor now serves where later will be laid the more substantial one, and the graves of several distinguished members of the pioneer families buried within the mission will be marked with bronze slabs. The Carrillo family had the remains of some departed ones interred there and there are said to be at least five graves within the sacred portals of the church.

The State promises to start work on the Mission the coming week.

## The Price We Are Paying

**THE VICIOUS CIRCLE** caused by wages and the high cost of living trying to meet up with one another is reactionary and treacherous in its consequences, the effect not being confined to individuals but reacting on communities in such a way that they are actually being throttled, their progress retarded, their citizenship thwarted. Aside from the public utility problems, which are largely due to the mad economic chase, there are the problems of improvement confronting communities, at heart progressive and proven so by the money voted for public improvements, such as highway building, but now totally powerless to carry out the intended plans because of the failure of their dollars to function as formerly. Witness the county of Sonoma, which voted over a million and a half dollars to build roads, and now foolishly viewing a paltry sum, for the purchasing power of a million when figured in roads is a puny bit which will build but a fraction of the mileage intended. Present day road costs make a million look sick. The vicious circle and profiteering of class against class has a catastrophic effect on communities which once cherished the idea that a little money in order to progress. Both progressive citizenship and money are of little avail now unless citizens, to carry out their plans, are foolish enough to venture close to the verge of bankruptcy. Such folly, though clothed in the name of enterprise, could not result in community advancement, but must lead to a sorry condition, in which, for years to come, the people would seek to pull out of an inflated debt and with almost nothing to show for fallacious expenditure.

We have had the evil in California with growing apparentness in state highway bond issues and their expenditure. We are confronted with it here in Sonoma, where street work has been in abeyance on account of it, and over in Walnut Creek the people view the estimated cost of their street paving with such concern that rather than see \$97,000 drawn into this mad economic vortex they are threatening to forfeit their municipal charter and vote to disincorporate.

In these days of splendid public spirit and civic ambition, when we see retrogression actually to be the price of the mad profiteering whirl, it is plain that the country should break the vicious circle regardless of who is hurt. Sooner or later it will have to be done. There can be no voluntary readjustment at this stage of the game and no mystic political wand can end it.

## Tax Revision Demand Insistent

Taxation is the worm that is gnawing into the heart of every industry today. There is almost universal demand for removal of luxury, excess profits and tax, and the spreading of our war debt over a longer period of years.

The United States Department of Justice reports that present taxes have added 23 per cent to the cost of living. This, added to the local taxes in each state, makes a staggering burden for the individual, home owner and employer to carry. From the several plans now before congress a more equitable tax system must be evolved if we continue a healthy commercial activity, and if the government continues to get sufficient revenue for its needs.—The Manufacturer.

**THE GOLDEN GATE** Ferry Company project is a good investment to back. It will create interest in our valley in addition to that other interest which is bound to follow a sound business project. The traveling public has not only created a demand for better transportation facilities but is crying aloud for the service which the Golden Gate Ferry Company will supply. How soon and how well depends in a large measure on the people getting behind the project. The customer ownership idea of public utility securities is a good one and can be worked out ideally in this enterprise.

**THERE IS TALK** of a special session of the Legislature already, and Governor Stephens was one time thought to be such an economical man.

**THE STATE SENATE** passed Cemetery Bill and Wright Bill the same afternoon. Something prophetic in that!

**VOLSTEAD** is sweating again trying to stop up the leaks in the prohibition sieve.

## Your Speed the Sharples Speed

Every member of the family turns the separator crank at a different rate. Your present separator loses a lot of cream when the speed drops below normal. This loss amounts to more than you realize.

No matter who turns the crank, fast or slow,

## THE NEW SHARPLES SUCTION-FEED

Separator gets all the cream all the time. The bowl draws in just enough milk to insure clean skimming. More cream means more money—a new profit without added expense.

The Suction-feed has many other important advantages. The cream is always of the exact thickness desired. The capacity increases with the speed. The large supply can be but knee-high—easy to fill.

The bowl has only three parts and no disks. There's nothing that's heavy, clumsy or fussy to wash.

We want you to see this superb new machine. Come in and let us show you what it will do.

## WILL OPEN "HAUNTED HOUSE FARM" FINE COUNTRY HOME

Mrs. Lolita Schweitzer and servants are expected from San Francisco this week to open up Haunted House Farm, the handsome country home of Mr. and Mrs. Melville Schweitzer. The big stone mansion, with its romantic past and beautiful gardens and swimming pool is one of the handsomest places in Sonoma Valley. On the ranch is a fine herd of dairy cattle and acreage planted to grain and hay. Tom Ryan is the efficient superintendent of Haunted House Farm which in pioneer days was known as the Granville Swift home and later as the Rogers ranch. The present owners have expended much money on the property and the gracious mistress will entertain many guests here throughout the summer.

## IMPROVES PLACE FOR NEW RESORT

Mrs. Richards, who recently leased out her hotel, Agua Caliente Springs, has been improving and beautifying her property adjacent to the Caliente postoffice and the site of the original hotel and will convert it into a new resort, which is to be called Richards' Tavern. The cafe and grill on the county road has been handsomely decorated with tapestry, paper, lattice and lighting effects and a new dance floor put in. Meals and carts and refreshments will be served there, while the cottage, newly furnished, will accommodate guests for the season.

## GRAMMAR SCHOOL ATTENDANCE LARGEST IN ITS HISTORY

The Sonoma grammar school continues to grow, and this term it has the largest attendance in its history. The daily average attendance is about 260 pupils. In order to provide for more pupils next term the school will utilize a fine light room on the first floor as a primary department and another teacher will be employed to aid those already teaching crowded classes. The modern building which Sonoma once thought for too big for its immediate needs is proving the wisdom of those who built wisely and well, forseeing the community's growth.

## 31,000 MILCH COWS IN THIS DISTRICT

Dr. Whitehead, dairy inspector for Sonoma and Marin counties, reports that in his territory, which is south of Valley Ford to the bay, and including all of Marin county and all of Sonoma county, except the northern part, that there are 31,465 milch cows, 465 dairies, averaging 68 cows to the dairy. That there are eighty-seven milking machines in use. The big dairies around Point Reyes are responsible for the high average, some of them containing from 200 to 500 cows.—Courier.

## HELP THE FAMINE STRICKEN CHINESE

Vigorous appeal to all Northern Californians is being made by the Greater Northern California China Famine Relief Committee, whose chairman is Captain Robert Dollar of San Francisco. All persons—rich and poor—are asked to send what they can immediately by check or money order made out in favor of the China Famine Relief Committee and addressed to the Committee in the Robert Dollar Building, 311 California Street, San Francisco, Calif.

## DENNY IS VISITOR

Thomas C. Denny, former judge of the superior court, was here yesterday from Sonoma with Mrs. Denny. The Dennys are now making their home in the historic Sonoma valley, making occasional automobile visits to Santa Rosa and other towns of the county, while the judge is enjoying what he calls his first real vacation in twenty-five years. They expect to spend most of the summer at Sonoma before the judge makes and plans for the resumption of his law practice.—Press Democrat.

## FIGURE IT OUT FOR YOURSELF

If several hundred subscribers pay for a newspaper how many people read it? The advertiser is not interested in how many people pay for subscriptions, but is vitally interested and concerned in how many read it. Every reader is a prospective customer for the advertiser. It is a conservative estimate that if seven hundred take the paper from the postoffice at least two or three times as many read it. The newspaper circulates among several members of the family, is borrowed by the neighbors or sent away. This is what happens to a good newspaper, the other kind finds its way down the sewer.

The Index-Tribune has a far greater circulation than any paper in Sonoma ever has had. Despite the fact that two competitive concerns joined their subscription lists—the joint subscribers of both Sonoma sheets under the brilliant management and intensive drive of one Watters—is only 390 subscribers and many of these do not want the paper, which is constantly knocking the community, but is forced on them by the publishers. A piano contest and the \$1.50 a year which was once the price of a "dry" sheet, both failed to get the subscribers, which accounts for the newless newspaper—mail order catalogue of Sonoma—being wild with envy at the Index-Tribune's splendid circulation. To quote from a recent editorial of ours, "The logic which prompts a competitor to be the aggressor, who could not by any possible chance come out on any but the short end of a showdown, is beyond us." Where logic is missing you are pretty sure to find idiotic damnableness.

Mrs. W. B. Hays and Mrs. Carrie Burlingame have both been quite sick with la grippe. Mrs. Hays was confined to her bed for several days and is still ill.

## WILL OF THE LATE GEO. YOUNG

George C. Young, who died April 13 at Petaluma, left a will dated June 17, 1919, naming his friend, Sandy McFadden as executor without bonds and disposing of an estate estimated by the executor to be worth about \$8600.

To Frank W. Sorocco and wife is bequeathed decedent's house and lot on Washington street, near Howard, Petaluma together with all the contents, except for the silverware. The silver is bequeathed to Miss Gladys Holmes and Mrs. Morris Taylor. The sum of one dollar each is bequeathed to Mrs. Emma McCoy and Mrs. Josephine Y. Bush, sisters, and Frank E. McCoy, nephew, and Florence M. Hays, niece. Any remainder, after spending \$500 for burial, is to go one-third to Eugene C. Farmer of Santa Rosa, a nephew, and one-third to G. Frost Bush, Ella M. Brainerd and Jennie Fallon.

The property of the estate consists of 14 acres of land and a home, worth about \$5900. The balance of the estate is in silverware and other personal property.

## SUPERVISORS PROCEED TO LET CONTRACT

With the decision of the superior court upholding their action, the board of supervisors Monday entered into a contract with G. W. Connors, contractor, for the construction of 1.93 miles of highway of the Sebastopol-Preston highway section.

The contract was the one which was made by Preston citizens and which resulted in a court battle to determine the legality of the supervisors entering into such a contract. The construction price will be \$2,842.60, according to the terms of Connors' bid which was accepted by the board.

Construction will begin immediately. It was said today following the signing of the contract.

## SONOMA MUSICIANS WON HONORS IN VALLEJO

E. G. Perkins, popularly known as "Si" Perkins to his many Sonoma friends and leader of "Si" Perkins Jazz" has won signal honors at Vallejo, where his orchestra has been selected for the music to be rendered at the dedication of the new \$20,000 Labor Temple in that city next month. Seven other orchestras were in competition, so "Si" justly feels proud of his talent. In the orchestra are several clever Sonoma Valley musicians, Charley Perkins, piano; Leslie Perkins, xylophone; "Si" Perkins, drums; and Elton Hunt, banjo soloist.

## FELDER WINNER OF SCHWEITZER HANDICAP

Joe Felder won the race last Sunday at the Schweitzer ranch, coming in a good length ahead of the other participants. The favorite, Ketchum, was backed to a finish, but failed to show. Although the little mare's jockey, Razor Pete, put up a good ride the horse failed to take notice of the professional touch and Pete, packing overweight anyway, could get no response from the thoroughbred.

Felder breezed in handily with his brother Louis second and Joe Daniel third. The Felder boys are natural born riders and cowboys and own some good horses, as was evidenced at the meet last Sunday.

An interested crowd of local sports went out to the ranch to see the amateur revival of the "sport of kings" and to back their favorites.

Razor Pete attributes his loss of the race to the fact that his mare was "frost bitten." At Sheephead Bay and the old Bay District Pete never rode this kind. "You just can't bring home de bacon with one of dem frost bitten skates" is the colored boy's declaration.

Following close upon the acceptance of the Santa Rosa Chamber of Commerce to be represented at the Sonoma Business Mens Booster Banquet, comes word from San Francisco that the B. B. Campaign managers will send Mr. Maginity and another speaker to Sonoma on the evening of May 5th.

El Verano's Booster Club has accepted the invitation to participate and the Valley of the Moon Chamber of Commerce will have a representation of twelve in addition to Geo. Darling who has been invited to give a talk on Cooperation.

An excellent menu, prepared by Mine Host Cucci will be no small part of the big night.

## PROMINENT FOLKS ENJOY HOUSE PARTY AT THE PARTRIDGE RANCH

F. F. Partridge of El Verano is entertaining a number of prominent Oaklanders at his handsome home this week end. His guests include C. Wm. Kolb, the popular comedian of Kolb & Dill fame; his beautiful wife, member of the company; Sheriff Barnett and wife of Alameda county; Judge Ed. Tyrrell, John Mullens, member of the board of supervisors of Alameda county; Bill Denny, Miss C. Bradley and Mrs. Peabody. The guests are always delighted to come to the Valley of the Moon for these house parties, as Partridge is a royal host and his ranch one of the show places of Sonoma county.

## Some FACTS About

# Ford

THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January, 1, 1921, and how many have been sold to retail customers in the United States.

	Produced	Delivered to Retail Customers
JANUARY	29,833	57,208
FEBRUARY	35,305	63,603
MARCH	61,886	87,221
Total Production	127,024	Total Retail Sales 208,032

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce, and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.

## VINEBURG NEWS

All of the principal business houses of Vineburg closed on Monday last at 5 p.m. to allow their employees to attend the circus in Napa. You will never find any "union" troubles in peaceful Vineburg.

Muller & Downey have just completed painting and decorating the hands-on-bungalow of Mr. Charles Groskopf at Whispering Pines, on Denmark avenue, and it is sure an artistic job.

The Standard Oil Company's tin can band is busy getting ready for a grand concert in the near future, with selections from "The Ohio, O My, O My."

Messrs. Nicholas J. Carriger Jr., grandson of one of Sonoma's pioneers, Uncle Nick Carriger, and Bert Kerner two of Sonoma valley's one of Sonoma valley's progressive sons, but now residents of Vallejo, were shaking hands with their Vineburg friends on Saturday last.

We understand that work will be resumed on the local highway on Monday next.

William Helberg, "Uncle Will," one of Sonoma valley's progressive citizens, now enjoys an outing in a "Cole 8". Mr. Helberg sure has a swell car and it is all paid for too.

Miss Mary Batto is at present the guest of San Francisco friends.

Acting Mayor Henry Pomi says that Vineburg should have a fire department if it is only a bucket brigade. You are right, Mr. Pomi, all fire departments started that way, with a bucket brigade, but you must remember at that time the buckets had a "kick in them."

Some new residents in this vicinity have an idea that they will run the election on Feb. 30, 1922, but Minnie Madden says that there are only two men in the field, Frank Allen and Fred Bonner for Mayor. Minnie says Jim Small might have a chance but Jim is an egg man, and a man who handles eggs never has a friend.

Emil Andriex, a well-known native son of Sonoma valley, who for some time past has been employed at the Batto warehouses, left for the Summit on last Thursday to fill a position for the S. P. His many friends in this vicinity wish him success.

Messrs. Ha and Rose Marie Spiegel, of San Francisco, were the guests of Mr. and Mrs. Donnick Colli, at Bird's Nest Cottage, on Sunday.

Fred Batto, accompanied by Messrs. Fred Batto, Chas. McDevitt, Emil Andriex and Miss Margaret McDevitt, motored to Petaluma on Thursday. —EASY JIM.

## BIG CIRCUS DAY IN SANTA ROSA

It's coming—the newest and the biggest of circus sensations, for Howie's circus, London Circus, the famous English white lion circus, and Van Amburg's trained W. A. Animals show our townsfolk the wonders of the circus or the "Golda Menagerie," on four big trains of all steel cars, will roll into Santa Rosa on Monday, May 2nd.

Railroad circus agents, contract agents and advance agents are busy. Posters are threatening the fact that the "big thing" is up and running on Oak wall, but heard of it. Santa Rosa is happy for at least a great white top organization is a big to this community.

The Howie's Amburg show is presented in three rings on two stages, in an actual con- and in a hypodrome track, by those trained and eighty-four American and foreign artists of bespangled fame. Serving as a continuously exciting contrast, the "Van Amburg" trained wild animals, in great mixed groups, will perform in two huge steel cages. There are even hundred people with the circus and over seven hundred animals.

## FORMER RESIDENT OF SPRINGS ARRESTED IN SAN FRANCISCO

Jimmy Leonhardt, who was employed at Boyes and Fetters springs as a masseur during his residence in Sonoma valley, where he now resides, as a result of an orgy in which a millionnaire of man named Helms and a pretty 18-year-old girl are involved, Helms and Leonhardt (his physical director) are said by the police to have contributed to the delinquency of the girl.

Don't forget the opening of Boyes Springs tonight. Pictures and dancing to Wilson's Jazz Orchestra.

A. L. Monotti, formerly of Du-ring's has resigned his position. H. E. Irbay of San Francisco will assume management of the grocery department on the first of May.

## 10,000 SONOMA CHICKS SENT TO UTAH THIS WEEK

Fred Hansen of the Sonoma Valley Hatchery shipped 10,000 baby chicks to Utah this week which gives just a little idea of the season's output from the big plant west of town. Mr. Hansen has had 58 incubators in operation and is still hatching with orders booked to capacity.

**PIANO TUNING BY EXPERT**  
A. W. Pooley, the well known piano tuner, has returned from his season's work at Carmel and Monterey and is again in Sonoma County. Anyone wishing to have work done on their pianos may address Mr. Pooley, care of the American Hotel, Petaluma, where he makes his headquarters. He will be coming to Sonoma Valley to fill engagements very shortly.

## Beautiful Lake Tahoe

LAKE TAHOE lies on the California-Nevada line in the Sierra Nevada Mountains—fifteen miles south of Truckee and two hundred miles east of San Francisco. The marvelous color of Tahoe varies from the deepest indigo to brilliant emerald. Surrounding the lake are lofty peaks—from seven thousand to over ten thousand feet high.

The motorist may reach Tahoe by many routes, which has given rise to the slogan "All Roads Lead to Tahoe."

And whether you go to Tahoe from the east, west, north or south, you will always find a service station or garage displaying the Red Crown sign.

Look for that sign when you need gasoline. It is your assurance of getting an all-refined gasoline—with a continuous chain of boiling points.

## Ring on Finger Causes Accident

Joaquin Fieber an 11-year-old Caliente school boy, met with a peculiar accident this week, as a result of which he will lose a finger. The boy caught his ring on a nail while at play and tore the flesh completely from his finger, while the ring was imbedded so deeply that it had to be cut from the bone. The boy was taken to the Crane sanitarium and Dr. Hays decided that amputation of the injured finger was necessary.

Mr. and Mrs. B. Mori and children motored to San Jose the fore part of the week end enjoying a nice outing for two or three days.

Supervisor Fred Lowell is making some substantial improvements on the Lakeview road. His attention to the needs of that part of his district is making a decided hit over that way.

Mr. and Mrs. Rae Hunter attended the anniversary party of Mr. and Mrs. George Baum at Petaluma this week.

Miss Marion Stone, a teacher of Berkeley, is visiting her cousin, Miss Florence Murphy, on Patton street.

## U. C. ALUMNI ATTENTION!

Miss Emilie Poppe is notifying all alumni of the University of California of a reunion banquet of Sonoma County grads to be held on May 3rd at the Occidental Hotel, Santa Rosa. Alumni should apply to Mrs. Thorn Gale of Santa Rosa for reservations. Husbands and wives of the alumni are included in the invitation to U. C. graduates.

Dr. Geo. Millerick is driving a class new model Nash 6.

Mrs. Gertrude Breitenbach Groskopf motored over from Vallejo Wednesday night to visit her folks here. Mrs. Groskopf, former bookkeeper at the Maffei market, has accepted a position at a fruit and vegetable market in Vallejo. Her husband is employed at the navy yard.

Mr. and Mrs. A. Groskopf (Batto) are expected home today from their wedding trip to San Diego and Tijuana.

Mrs. James Weyl received the sad news this week of the death, from diphtheria, of her two little nieces, the Cane children. Mrs. Cane, who is Mrs. Weyl's sister, often visited here with her family of pretty children.
